

Pennstander Text

Weights

pennstander-thin

We hold these truths to be self-evident: That the human body is not a machine, and even machines require downtime; that sleep is not laziness but the nightly maintenance cycle upon which memory, mood, and judgment all depend; and that a culture which glorifies exhaustion as ambition has confused suffering for virtue.

pennstander-extralight

We hold these truths to be self-evident: That the human body is not a machine, and even machines require downtime; that sleep is not laziness but the nightly maintenance cycle upon which memory, mood, and judgment all depend; and that a culture which glorifies exhaustion as ambition has confused suffering for virtue.

pennstander-light

We hold these truths to be self-evident: That the human body is not a machine, and even machines require downtime; that sleep is not laziness but the nightly maintenance cycle upon which memory, mood, and judgment all depend; and that a culture which glorifies exhaustion as ambition has confused suffering for virtue.

pennstander-regular

We hold these truths to be self-evident: That the human body is not a machine, and even machines require downtime; that sleep is not laziness but the nightly maintenance cycle upon which memory, mood, and judgment all depend; and that a culture which glorifies exhaustion as ambition has confused suffering for virtue.

pennstander-medium

We hold these truths to be self-evident: That the human body is not a machine, and even machines require downtime; that sleep is not laziness but the nightly maintenance cycle upon which memory, mood, and judgment all depend; and that a culture which glorifies exhaustion as ambition has confused suffering for virtue.

pennstander-semibold

We hold these truths to be self-evident: That the human body is not a machine, and even machines require downtime; that sleep is not laziness but the nightly maintenance cycle upon which memory, mood, and judgment all depend; and that a culture which glorifies exhaustion as ambition has confused suffering for virtue.

pennstander-extrabold

We hold these truths to be self-evident: That the human body is not a machine, and even machines require downtime; that sleep is not laziness but the nightly maintenance cycle upon which memory, mood, and judgment all depend; and that a culture which glorifies exhaustion as ambition has confused suffering for virtue.

pennstander-black

We hold these truths to be self-evident: That the human body is not a machine, and even machines require downtime; that sleep is not laziness but the nightly maintenance cycle upon which memory, mood, and judgment all depend; and that a culture which glorifies exhaustion as ambition has confused suffering for virtue.
